

# The Christian Funeral

The casketed bodily remains are honored by being brought to the Church. If you are not affiliated with a church, a priest or minister representing your Christian Faith will be invited by the funeral home to lead a Christian Liturgy at the funeral home chapel. This is the most important part of the celebration of the Christian Funeral. We celebrate the life of the deceased in the whole context of the life, death and resurrection of Jesus.

When cremation takes place before the Funeral Liturgy, the cremated remains, which have been placed in a Worthy Vessel, are set upon a pedestal. A candle is positioned near the pedestal and then the Cremation Vessel is blessed with Holy Water.
