

# Honor

Cremation opens the door for creating a beautiful and meaningful Remembrance Gathering. Celebrating and honoring the life of a loved one with some type of ceremony or gathering plays a significant role in our lives and is an essential part of the healing process. You may wish to have a Remembrance Gathering before or after cremation. Select your loved ones favorite music, include special speakers, show keepsake videos, display the urn, photo boards and a memory table with pictures and mementos of your loved one to highlight treasured thoughts and memories.

We're not just funeral directors.

Cremation-With-Care's network of Professional Remembrance Planners sets us apart from all other funeral & cremation providers. We're expert listeners who can help to transform your ideas & thoughts into a perfectly themed Remembrance Gathering designed expressly for your family.

Our goal is to help you find joy in the way you choose to honor, remember & celebrate that wonderful life.

## Think Ahead

Pre-planning is easy and will payoff both emotionally and financially for you and your family. We spend a lifetime planning for the precious moments in our lives: birthday parties, weddings, anniversaries and of course, our retirement. But there is one event that we tend not to plan for, yet it's guaranteed to happen; our funeral.

Planning ahead allows you to consider alternatives and make decisions on your own terms. Pre-planning provides peace of mind in knowing that your affairs are in order and your wishes will be fulfilled. It allows you to select & document your final wishes while eliminating the uncertainty and financial burden from the shoulders of your family.
