- ★ Cremation opens the door for creating a beautiful and meaningful Remembrance Gathering. Celebrating and honoring your wonderful life will play a significant role in the lives of your loved ones and is an essential part of the healing process. A Remembrance Gathering can take place before or after cremation. Select your favorite music, create a keepsake video or collage, select an urn with a theme or hobby.
- ★ Purchasing your own urn in advance allows you to capture your individuality and personality. Urns can be simple in design, themed or artistically created in a wide range of materials, shapes and colors. Personalization is available on most urns. Purchasing your urn now through your VCS-Benefit Provider will ensure that your wishes are fulfilled and that family members are not left with making a difficult decision.
